2019 PACKER DAYS Business Sponsorship

It's that time of year again! Get your business name on the revival of Packer Days. Packer Days will be held over Memorial Day weekend **May 25 - 27, 2018.** We are seeking involvement from other organizations to make the whole weekend an event to remember! Make a special "cannibal" menu, host a Packer Days activity for kids and families, and get creative! Let's make this a community event!

The Lake City/Hinsdale County Chamber of Commerce will host the main event on Saturday, **May 25th.** The "Run for Your Life" Survival 5k will present a course of backcountry survival tasks that participating teams must successfully complete along the route. The afternoon will include the awards ceremony at the Mystery Meat Cook-off where chefs will present their mystery dish for competition.

The purpose of reviving this event is to expand our very short season. People travel on holiday weekends and there's no reason they shouldn't be traveling to Hinsdale County. We anticipate increased traffic, sales and lodging tax numbers for this weekend. In the long run, we hope to see more traffic in the early weeks of the summer.
